Chairman Hawver called the meeting to order at 3:30 PM.

Discussion ensued regarding the request from the Electrical Inspector to increase the inspection fees. Information was obtained from surrounding towns regarding their charge for electrical inspections. Sheffield was in line with our inspection fees. Discussion continued regarding the expense of toner cartridges and phone calls. It was the consensus of the Board to purchase the cartridges and provide the use of a phone in Town Hall for long distance calls. Selectman Smith moved to not increase the electrical inspection fees, seconded by Selectman Petersen. The motion carried unanimously.

Discussion ensued regarding the three resignations received from Library employees. It was the consensus of the Board to request a meeting with the Library Trustees to continue this discussion.

Discussion ensued regarding the appeal filed by Mr. Hanlon regarding the recent decision by the Land Court. Administrator LaBombard will contact Attorney Fletcher to discuss questions on the appeal.

The meeting was suspended at 3:50 for ten minutes or until Chief Getchell arrives. Chief Getchell did not attend the meeting.

Selectman Smith moved to adjourn the meeting, seconded by Selectman Petersen. The motion carried unanimously.

Chairman Hawver adjourned the meeting at 4:15 PM
